Definitions

Rail Passenger	An individual who has undertaken, or has attempted to undertake, a journey on a scheduled rail service, and has purchased (or has had purchased on their behalf), or has attempted to purchase, a ticket for that journey.
Participating Rail Operating Company	A rail operating company which is part of the Rail Ombudsman scheme. The full list of Participating Rail Operating Companies is available here: www.railombudsman.org/about-us/Participating-service-providers/
In Scope	A complaint accepted as being eligible for the Rail Ombudsman scheme.
Out of Scope (Transferred)	A complaint that is outside the scope of the Rail Ombudsman scheme which is transferred to either Transport Focus or London TravelWatch.
Out of Scope (Ineligible)	A complaint which is deemed ineligible for the Rail Ombudsman scheme and also for Transport Focus and London TravelWatch. The majority of complaints found to be ineligible are caused by Rail Passengers approaching the Rail Ombudsman without a deadlock letter and before the end of the 40 working day period allowed to Rail Operating Companies to resolve their complaints.
Simple Resolution	A stage in the Rail Ombudsman process that provides an opportunity, in some circumstances, to quickly resolve an issue.
Complex Resolution	A stage in the Rail Ombudsman process where a Simple Resolution is not possible. The Rail Ombudsman will first Mediate and then where applicable, Adjudicate to resolve an In Scope complaint.
Mediation	The process by which, assisted by an independent view from the Rail Ombudsman, a settlement in relation to an In Scope complaint can be negotiated to which both the Rail Passenger and the Participating Rail Operating Company agree.
Adjudication	The process by which, in the event that a Simple Resolution and Mediation have been unsuccessful in reaching agreement between the Participating Rail Operating Company and the Rail Passenger, the Rail Ombudsman will investigate and make an impartial decision on the case.

Notes

All percentages shown within this report have been rounded up or down to the nearest whole number.

Passenger journeys delivered by Participating Rail Operating Companies vary in length and number. Unless specified, complaint volumes in this report have not been weighted to reflect this and should not be used as mechanisms for comparison.

Further information on Rail Operating Companies' passenger numbers and complaint volumes can be found on the Office of Rail and Road's data portal here: <https://dataportal.orr.gov.uk/>

Complaints evaluated / closed by the Rail Ombudsman during Quarter 3 include complaints raised in the previous quarter.

Outcomes should be considered in the context of the end-to-end dispute resolution process. Adjudication outcomes tend to be upheld in part or not upheld, because of the opportunities to resolve cases where a full remedy is due through Simple Resolution or Mediation
